

**ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background

---

**Summary & Background**

RYE NECK UFSD

661901030000

**SUMMARY & BACKGROUND**

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

**ARP-ESSER Application – Part 1:** The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

**ARP-ESSER Application – Part 2:** The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

**Project Period**

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

**Project Number**

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

**Submission Deadline**

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

---

**ARP-ESSER Application: Part 2 - ARP Act**

Introduction/Instructions - Summary & Background

---

**APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS**

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

**ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Submission Instructions

---

**Submission Instructions**

RYE NECK UFSD

661901030000

**Directions for Submitting the Application:**

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

*Office of ESSA-Funded Programs - Rm 320 EB*

*RE: ARP-ESSER Application – Part 2*

*New York State Education Department*

*89 Washington Avenue*

*Albany, NY 12234.*

**Deadline for Submitting the Applications:**

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

**ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination**

RYE NECK UFSD

661901030000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

**NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.**

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

In accordance with federal guidelines, Rye Neck UFSD requested public input on the development of a plan for the use of the \$474,817 awarded through the American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief (ESSER) fund. A four-question survey, modeled after a survey prepared by NYSED, was emailed to all parents and staff on Friday, May 21, 2021, via Google Form. The survey closed one week later on Friday, May 28, 2021. One hundred fifty one (151) responses were received (148 to the English survey, 3 to the Spanish survey). In addition to three demographic questions, the fourth and final question asked respondents, "As we prepare for the next school year at Rye Neck, what are the most important academic, social emotional, and/or mental health supports for schools to provide to serve all students (i.e., general education students, students with disabilities, English language learners, and others)?"

Discussions about use of funds and needs were discussed at school level staff meetings throughout the month of May and during the bi-weekly meetings of the Administration team.

The results of the survey and discussions were presented to the Board of Education at the June 1, 2021.

At the December 15, 2021 BOE Meeting, the district will present an update on the American Rescue Plan funds plan and once again ask for community input. Another update is planned in June 2022, and every six months until the funds are fully spent.

**ARP-ESSER Application: Part 2 - ARP Act**

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

- 2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://www.ryeneck.org/cms/lib/NY50010784/Centricity/Domain/253/American%20Rescue%20Plan%20Funds.pdf>  
 The district will also send a soft or hard copy of the plan to any person who requests it.  
 We will upload a copy of the document once the application is approved.

**ARP-ESSER LEA Base 90% Allocation - Program Information**

- 3. In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

Rye Neck's allocation of ARP funds will be used primarily to address learning loss and mental health for the student population. Using other funding sources we have implemented prevention and mitigation strategies consistent with CDC guidance including disinfection, ventilation, masking and social distancing.

- 4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

Each building at Rye Neck has a data team that meets regularly. The data teams review the various data points that each grade and subject employs. All students grades K-8 participate in i-Ready assessments in ELA and math. These computer-based assessments serve as universal screenings for these students and are administered three times per year; beginning of the year, mid-year, and end of the year. In addition, i-Ready is also used for interim progress monitoring with shorter assessments administered more frequently.

In grades K-5, F&P assessments are administered three times per year in reading and running records reviewed often for progress monitoring. Math modules and Sprints are utilized as data points as well as other curriculum-based measures.

Grades 6-12 administer both formative and summative assessments that assist in the identification of students who require interventions and for progress monitoring. In addition, quarterly grades are reviewed.

We are using a portion of the ARP funds to hire an elementary school counselor as well as an additional Academic Intervention Services teacher who will assist Rye Neck in identifying and supporting those students who require additional interventions and services.

The data teams flag any students who are performing below grade level. Those students are recommended for targeted supplemental services in the areas where they have weaknesses. The data teams meet regularly to review the progress of students. We will increase support for those students who are not making significant progress. Those students who make adequate progress will continue with support. In addition, we meet on individual students weekly to further monitor progress and increase support as needed. Those students who require increased support may be recommended for AIS services and the summer programs.

- 5. In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

Twenty percent of the ARP funding will be used to address learning loss through:

- Summer educational and enrichment programs, districtwide, beginning with school year summer 2021. Summer programs for K-12 are being offered at the Rye Neck schools throughout July and August 2021. As funding allows, programs will also be offered in future summers, in accordance with the term of the grant.
- Additional Academic Intervention Services Districtwide, specifically in-school support through one additional full time AIS teacher to support students.

**ARP-ESSER Application: Part 2 - ARP Act**

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

**6. In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

Elementary Guidance Counselor, K-5 --- This position will be trained in child development, learning strategies, self management and social skills, and will understand and promote success for Rye Neck’s K-5 students. This person will implement a school counseling program at the elementary level. Mental Health Presentations, Middle School/High School --- Funding for speakers, seminars and/or presentations related to mental health for middle and high school students.

Intramurals Program, Middle School - funding for the intramurals program will go towards hourly stipends for coaches to work with sixth grade students after school to expose students to the different sports that are offered within Rye Neck’s interscholastic athletic program.

Grant Manager Stipend - The grant manager stipend is the hourly amount paid to the grant manager to submit the FS-10, FS-10A, FS-25 forms and also to manage the use of grant funds including tracking expenses.

**7. In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

The data teams will increase the frequency of meetings to not only review the data that is collected by the assessments described above, but other data such as demographics, behavioral, and attendance will be analyzed to ensure that all students needs are being met and that all students have the tools necessary to meet those needs. In addition, many of these students will have individual intervention plans created by the RTI committee that are monitored on a regular basis.

Any additional staff hired to meet the needs of students such as the Academic Intervention Services teacher and school counselor, will be added to the data teams and RTI committees so they can assist in the monitoring of academic growth and social/emotional learning. Students from the various demographic groups may have increased AIS services that occur before, during, and after school. This includes our summer programs. They also might meet with the counselor to address mental health needs either individually, in a small group, or when the counselor delivers classroom lessons. Students from low-income families, students of color, ELLs, students with disabilities, students experiencing homelessness, children in foster care, and migratory students that require AIS services will be given access to services at the times that best meet their needs whether it is before, during or after school or a combination of all. In addition, these students will meet with school counselors as needed as part of their support services. These students will be identified and known to school personnel to ensure their needs are being met.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

**ARP-ESSER Return to In-Person Instruction**

RYE NECK UFSD

661901030000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).**

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://www.ryeneck.org/cms/lib/NY50010784/Centricity/Domain/306/COVID%20Operation%20Plan%20v4%20August%2018%202021.pdf>

A soft or hard copy of the plan will be provided to anyone that requests it.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

2. **An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.**

**In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.**

Rye Neck will review and update the ARP Plan at least every six months, beginning in December 2021. The review will include an update of the progress of the plan, to date, including what funds have been utilized and what portion remains. There will also be a discussion with the Board of Education. In addition, Rye Neck will seek public comment via in-person meetings and/or surveys and will incorporate these comments as necessary.
