November 5, 2021

Dear Rye Neck Families,

We are beginning to plan for our incoming class of Kindergartners for September of 2022. In order to make all the necessary projections and accommodations, we need to know whether you have a child who will attend Kindergarten at Daniel Warren Elementary. Any child **born on or before December 1, 2017** and living in the Rye Neck School District is eligible to enter Kindergarten in September of 2022.

If your child is eligible to attend Kindergarten in the Rye Neck School District in September of 2022, please complete the [REGISTRATION QUESTIONNAIRE \(English\)](#) / [REGISTRATION QUESTIONNAIRE \(Spanish\)](#) with your information. The links are also located under "*For Families*" tab / "*Registration Information*" then "*Kindergarten Registration*".

Replies may be made online, by phone (914-777-4202) or by emailing Debbie Hutchinson to dhutchinson@ryeneck.org. This information is necessary to keep you informed of important upcoming incoming kindergarten events.

Kindergarten Registration is tentatively scheduled for February 1st – 4th at the Daniel Warren School by appointment. More information will be provided in early January.
