No Winter Hibernation Here

We return from our break with a flurry of student activities. Our student athletes are wrapping up a strong winter season with playoff games, meets, and tournaments.

- Senior Joe Lavelle was awarded the prestigious Con Edison Westchester Scholastic Sports Award last week, becoming the 62nd Rye Neck athlete to win this prestigious award.
- Boys' Varsity Basketball plays in the Section 1 Class B Final Four (tonight!) at the Westchester County Center.
- Sophomore runners Phoebe Carmel & Ainara Schube qualified for the State Championship Meet on Sunday, March 5th.
- Girls' Varsity Basketball, Boys' Varsity Swim, Girls' and Boys' Varsity Ice Hockey, and Varsity Track & Field all made it to the playoff level this season.

Our High School thespians will be performing four shows of *Anastasia* at the end of this week. After months of preparation our students are eager to transport you to the St. Petersburg and Paris of a century ago. Please visit our website for [tickets](#). Many other activities, including science fairs at Daniel Warren, F.E. Bellows, and Rye Neck Middle School are happening in March. See you there!

Best regards,

Dr. Eric Lutinski
Superintendent of Schools
